

Kinographe International Film Academy 2019 WORKSHOP GROUPS

Kinographe International Film Academy is about discovering alternative ways to develop film projects. There will be 4 workshop groups, based on different artistic themes :

VISUAL STORYTELLING

How to tell a story mainly with images

- Workflow and rhythm like on a semi-professional movie set
- High focus on the technical side of filmmaking

THEATRE

(©KINODRAMA method)

Short movie based on improvisation and drama exercises

- You have to be able to act in front of camera
- Technical equipment is just a tool, you will focus on acting

LITERATURE

Film adaptation of a contemporary novel or piece of theatre

- Taste for modern authors
- Significant ability to read with understanding in English

MUSIC

Music will be the source of your inspiration

- Decent sensibility to music and rhythm
- Open mind for discussions about emotions

Every group will assemble around **15 international young people** and will be supervised by cinema professionals (artistic and technical supervisors) specialized in every working method.
