FILM INDUSTRY LEADERS LAB

# WHAT IS IT ABOUT?

The name of the project: "FILL" means Film Industry Leaders Lab - it is a series of lectures and workshops on the development of film projects. During the course, participants will gain knowledge about distribution and production as well as planning their sales strategies. Young filmmakers will present their own film projects during pitchings.

It is a great opportunity to present your projects to other participants from different countries and to film industry specialists.

# THE MAIN GOALS OF THE PROJECT

- 
1. support for young artists;
  2. preparation of the educational programme for young filmmakers showing how to promote and sell their art works;
  3. exchange of best practices from different countries, discussion about possibilities;
  4. improvement of brand building and promoting art works skills;
  5. increase in knowledge about foreign film markets;
  6. development of the network between European film industries.

# USEFUL INFORMATION

## DATE

1 - 7 November, 2021

## CITY

Warsaw is a big city with a lot of wonderful places to visit. If you forget something you can buy it here. But remember to take all the necessary medicines with you if you are taking any! You can withdraw money in Warsaw. Remember that some places only accept Polish currency so it is better to withdraw cash at an ATM (or paying by card).

## TRAVEL

The organizer provides the participants with transportation to and from Warsaw - arrival by plane or bus.

## ACCOMMODATION

The organizer provides participants with accommodation in a hotel with multi-bed rooms. Remember to take your toiletries with you!

## MEALS

The organizer provides participants with the catering during the workshop, which includes two meals - breakfast and lunch. If a participant is allergic to something or has a special diet (is a vegetarian, vegan, does not digest lactose, does not eat fish, etc.) - he or she must obligatorily write it down in the questionnaire while applying to the workshop.

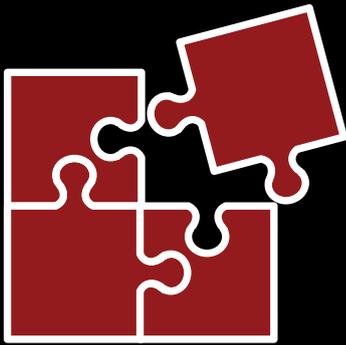

# PARTICIPANTS PROFILE

- Age: 18-30 years old;
- 15 people from each country;
- students of film schools and management in culture;
- interests: film distribution, film production, directing, filmmaking, management in film;
- people who already have first experience with filmmaking and want to improve their skills;
- workshops and lectures will be held in English so knowledge of this language is essential.

# HOW TO JOIN US?

Due to the pandemic you can take part in the project in two ways: physically in Warsaw or remotely from your hometown.

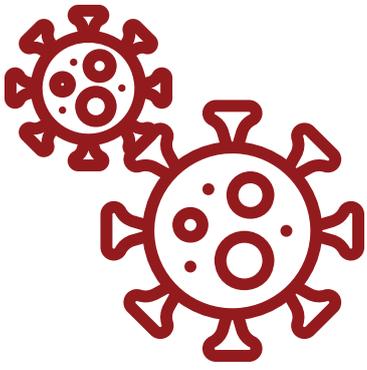

Of course, we strongly encourage you to come! In Warsaw the experiences will be more intense and you will make many new friends!
