What is it about?

The name of the project: "**Together - ToGetThere**" refers to creating a tolerant Europe. There will be no social consent to discrimination on the basis of sex, ethnic origin, religion or other social differences. The project is a voice of young people, opposition to the spreading hate, hate speech and stigmatization of people of different opinions or origins.

The main goals

- exchange of experiences
- research of valuable audiovisual content of the problem of intolerance
- preparing their own social campaigns to counteract negative behavior
- creating their own social campaigns
- developing their projects on the internet

Useful information

Date:

3-10.07.2022 (with travel days 2-11.07.2022)

City:

Radom is quite a big city. If you forget something you can buy it here. You can withdraw money in Radom. Remember that some places only accept Polish currency, so it is better to withdraw cash at an ATM.

Useful information

Travel:

The organizer provides the participants with transportation to and from Radom - arrival by plane or bus from the country of origin to Poland and then by bus to Radom.

Accommodation:

The organizer provides participants with accommodation in a hotel in single and double rooms.

Useful information

Meals:

The catering provided by the organizer during the workshop includes two meals - breakfast and lunch. If a participant is allergic to something or has a special diet (is a vegetarian, vegan, does not digest lactose, does not eat fish, etc.) - it is obligatory to write it down in the questionnaire while applying to the workshop.

Participants profile

- age: 18-30 years old;
- 15 people from each country (14 participants and 1 leader without age restriction);
- people who want to exchange experiences with others;
- people interested in social activities;
- workshops and lectures will be held in English so knowledge of this language is essential.
