GOALS

SCRIPTMARKET.PRO is an event aimed at the young members of the audiovisual industry. It provides a platform for networking in the field of production and co-production of feature films, with a particular focus on micro-budget projects by young directors and creative producers.

The main goals are:

- to explore the potential of cooperation of young film industry professionals from Malta, Norway, France and Poland;
- to conduct a non-formal educational programme for young filmmakers showing how to promote and sell their works on the international film market;
- to increase knowledge about foreign film markets;
- to improve brand building skills;
- to exchange best practices developed in different countries;
- to develop the network among European film industries.

As a participant of the SCRIPTMARKET.PRO, you will attend:

- workshops,
- lectures,
- debates and panel discussions.

OPEN PITCHING SESSION

Are you working on a script?

Do you need advice on how to further develop your project?

If so, then the open pitching session is just for you!

Come to Radom to present your idea in front of well-respected representatives of the film industry.

Our open pitching session is not only an opportunity to get feedback from experienced film professionals, but also your potential future audience.

Although participation in the open pitching session is voluntary, we encourage you to submit your draft along with the application form and experience it all at first hand!

ORGANISATION

Date:

7-13.07.2024 (with travel days 6-14.07.2024)

City:

Radom is quite a big and convenient city. If you forget something, you can easily buy it here. Remember that some places only accept Polish currency, so it is better to withdraw cash at an ATM. You can do it once you arrive in Radom.

Travel:

The organiser provides the participants with transportation to and from Radom - arrival by plane, train or bus from the country of origin.

Accommodation:

The organiser provides participants with accommodation in a hotel in double or triple rooms.

Meals:

The catering provided by the organiser during the workshop includes two meals - breakfast and lunch. Let us know if you are allergic or have a special diet!
